DISCLAIMER TO PARTICIPATE IN A CLINICAL CONSULTATION

The Prostate pilot offers its members a free and confidential telephone and video conferencing (via Skype) information and a support service run by prostate cancer specialist clinicians.

Specially trained staff are available to answer questions about prostate cancer and offer emotional or practical support.

Clinical practice guidelines provided through our Prostate Consultations are intended as a guide to appropriate clinical practice. They are designed to provide information to assist in decision-making and are not intended to be prescriptive.

Consultation is provided for general information only. It is not intended as medical advice, and should not be relied upon as a substitute for consultations with qualified health professionals who can determine your individual medical needs.
